ISLINGTON

a new look for Route 812

We all deserve a new look from time to time – and everyone’s favourite Plus Bus, Route 812, is no different.

On 1 April 2019, we’ll be replacing the current buses with newer, greener, less polluting vehicles – playing our part in improving Islington’s air quality.

The vehicles will be painted white, with our new eye-catching ‘Bus Ivy’ livery – like the one on the front cover, which is currently running in Bristol.

The new vehicles will be just as easy to get on and off as the current ones and will have all the same features.

your 812 timetable

Mondays to Fridays only (not bank holidays)

Route 812

Hoxton <i>Bridport Place</i>	–	09:30	10:10	10:50	11:20		50	20		15:50

Hoxton <i>Bridport Place</i>	09:56	10:36	11:16	11:47	12:17		47	17		16:47

an earlier start...

At our recent consultation, you said that Route 812 should start a bit earlier in the day. We listened – and we think that’s a great idea too. From 1 April 2019, we’ll be starting the service earlier.

We’ve also allowed a bit more time for the first three trips. We can’t do anything about roadworks or the traffic, but we do think that the extra time will help the service run more reliably throughout the day.

After those first trips, it’s back to the usual timetable, with services running every half an hour at the same times as before.

about Route 812

Route 812 is a 'hail and ride' bus route in the London Borough of Islington. Focussing on the needs of older and disabled people – but open to all – Route 812 connects people with the key services, shops, doctors' surgeries and day centres they identified as important to them.

The route, delivered by HCT Group in partnership with Islington Council, reaches areas that cannot be readily served by mainstream public transport

about HCT Group

HCT Group is a social enterprise in the transport industry, safely providing over 30 million passenger trips on our buses every year. We deliver a range of transport services across the British Isles and reinvest the money from our commercial work into further transport services or projects, like Route 812, in the communities we serve.
